## SUMMARY

Hi there, My name is Bas Klaichid, and I'm currently training to become a Game Developer. I reside in Oosterblokker and I'm enrolled in the Game Development program at Media College Amsterdam. One of my strengths is my ability to remain calm and composed under pressure, making me quite resilient to stress. I thrive in team environments and enjoy collaborating with others, but I'm also comfortable working independently when necessary. Looking forward to the opportunity to further discuss my qualifications and how I can contribute to your team.
